

HGSF M&E Review: Structured Data Extraction Table

NHGSFP (National Home-Grown School Feeding Programme) — 34 Most Valuable Sources for Evaluation

S #	Author / Institution	Date	Source Type	Title	URL	Programme Element Covered	Stated Objectives / Framework (verbally if possible)	Indicators / Targets (verbally if WB/UN)	Quantitative Findings (number + date)	Qualitative Findings / Themes	Author's Assessment / Gaps Named
1	FMH ADM SD / Dr Nasir Sani-Gwarzo	Jan 2023	Official Announcement	Announcement on the National Home Grown School Feeding Programme	https://www.linkedin.com/pulse/announcement-national-home-grown-school-feeding-programme-fmhadmsd	Programme funding release; implementation structure	"The School Feeding Programme is an initiative of the President Muhammadu Buhari's administration aimed at providing one nutritious meal to pupils of primary 1 to 3 in public schools."	N/A (Government press release)	"Currently the programme is feeding close to 10 million pupils in over 50,000 primary schools." (Jan 2023)	State governments responsible for implementation; funds released for 20 feeding days/month, 5 days/week; compliance reporting via app	No gaps named in press release; calls on states to ensure good service delivery and proper fund utilisation
2	Cristina Duarte / UN OSAA	Oct 2024	UN Policy Paper	Home-Grown School Feeding: From Hot Meal to Macro economic Tool – A Low-Hanging Fruit for Africa's Urgent Challenges	https://www.un.org/osaa/sites/default/files/files/documents/2024/publications/duarte_un_osaa_hgsf_policy_paper.pdf	HGSF as macro economic intervention; Peace & Security; Energy; Climate; Food Systems	"This paper positions Home-Grown School Feeding (HGSF) as a high impact, practical intervention that African countries could harness to boost resilience while addressing the root causes	"Returns as high as \$9 for every \$1 invested"; HGSF linked to SDGs 1-7 and 11	Nearly 50% of Sub-Saharan Africa lived on <\$1.25/day by 2015 (MDG failure); Northern Africa approached single-digit extreme poverty by 2015	HGSF can address the 'Triple Paradox' (Finance, Energy, Food Systems); weak state presence = root cause of underdevelopment; HGSF as bridge between education, agriculture, community development	Africa's failure to deliver MDGs = lack of resilience & state absence; HGSF can restore state functions; renewable energy integration can double ROI

							of issues that under mine state presen ce."				
3	WFP Rwan da Coun try Offic e / USDA	Jan 2026 (Endl ine)	Evalu ation Report	Rwand a, Home-Grown School Feedin g (2020-2025): Evalu ation	https://www.wfp.org/publications/rwanda-home-grown-school-feeding-2020-2025-evaluation	Full progra mme evalua tion; literac y; health; local procur ement; govern ment capacit y	"Aimin g to impro ve literac y in school -age childre n, increa se the use of health and dietar y practic es and impro ve the effecti veness of food assista nce throug h local and region al procur ement."	Literac y bench marks; enrolm ent; attend ance; attenti veness ; food safety practic es. Budget : USD 25 million over 5 years.	140 pre- & primar y school s in 7 distric ts; most target s achiev ed at endlin e (2025) ; cost- efficie ncy overall demo nstrat ed	Communi ty engage ment essentia l; infrastru cture must align with training; whole- of- govern ment approac h accelera tes impact; phased transiti on yields better handov er	Main sustainabi lity risk = fundin g constraints ; M&E system strengthen ing, ongoing but incomplet e; teacher training efficien cy varied yearly
4	Roseline C. Onah & Felix E. Onah	Dec 2021	Academic Journa l Article	Imple menta tion of the Nation al Home-Grown School Feedin g Progra mme (NHGS FP) in Nigeri a: Exami ning the Issues, Impedi ments, and the Way Forwa rd	https://www.macrothink.org/journal/index.php/jpa/article/view/18652	Enrolm ent impact ; fundin g & fund manag ement; meal quality & quanti ty	"The objecti ves of NHGSF P are encapsu late d in the impro vemen t of primar y school enrolm ent, reduct ion of the rate of school dropo ut and addres sing nutriti on challe nges comm on among school childre n."	N70/c hild/m eal (2016– 2021); recom mende d increas e to N150/ child/ meal	Enrolm ent increa sed in many school s (no nation al figure given); N70 inadeq uate for quality meal (2021 data)	Irregula r fund remitta nces → irregula r feeding; poor meal quality & quantity ; KIs with progra mme manage r, vendors , head teacher s, SBMCs in Enugu State	Under- funded programm e; funds not remitted regularly; poor quality/qu antity of meals; recommen d separate fund allocation, raising cost to N150, capturing nursery children, integrat ing WASH facilities
5	Owede Agbaj ileke / The Guar dian Nigeri a	30 Sep 2025	Media Report ing	2.3 million learne rs benefi t from basic educat ion interv ention s	https://guardian.ng/education/2-3-million-learners-benefit-from-basic-education-interventions/	School feedin g relaun ch; techno logy- based payme nts; basic educat ion impact	"We are going to be pilotin g the school feedin g progra mme. We have identif ied the states where we will start, and we will deploy techn	N/A (Gover nment policy annou nceme nt)	2.3 million learne rs impact ed via 4,900 classro oms constr ucted, 3,000 renov ated, 34 SMAR T school s, 353,00 0 furnitu re (2025) ; NHGS	Technol ogy deploy ment for direct paymen ts to mothers ; 21 states migrate d data to NEDl; centralis ed monitor ing from primar y to seconda ry	Suspensio n caused major disruption; relaunch planned with tech- based transpar en cy and accountabi lity mechanis ms

							ology for this purpose by compensating mothers to ensure their children are well-fed." — Dr Tunji Alausa, Education Minister		FP suspension left 9M+ pupils & 250,000 jobs stranded (Jan 2024)		
6	Leke Baiye wu / Punch News papers	16 Jun 2020	Legislative Oversight / Investigative	Reps fault FG's N187bn spending on school feeding programme	https://punchng.com/rep-fault-fgs-n187bn-spending-on-school-feeding-programme/	Budget scrutiny; expenditure verification; fund utilisation	House Committee on Public Accounts investigated N186bn claimed expenditure	N/A	Reported figures cite N63.2bn (2018), N32.2bn (2019), and N124.4bn (2020), which sum to N219.8bn, not N186bn; the claimed N186bn cumulative does not reconcile with the component figures. Committee described the expenditure as "outrageous and unacceptable"; many constituencies reported no programme benefits; demanded a complete audit. The published figures are internally inconsistent; a full audit and	Committee described N186bn as 'outrageous and unacceptable'; many constituencies reported no programme benefits; demanded complete audit	The published figures are internally inconsistent; a full audit and source breakdown are needed.

7	Aduka Okah / Vanguard News papers	31 May 2022	Media Report ing / Progra mme Profile	NHGSF P: How FG encou rages school enroll ment with feedin g of 10m childre n	https://www.vanguardngr.com/2022/05/nhgsfp-how-fg-encourages-school-enrollment-with-feeding-of-10m-children/	Enrolment; feeding cost structu re; progra mme operat ions	"Core objecti ves: increa sing school enrol ments, partici pation and comple tion, impro vement of nutriti onal status of benefi ciaries and stimul ation of the local econo my throug h the school feedin g value chain."	N70/c hild/m eal (2016- 2022) → approv ed increa se to N100/ child/ meal (break down: N70 food, N14 egg, N10 cooks stipen d, N5- 6 micron utrient , N1 QA)	9,990, 862 pupils (≈10M) in 53,000 + school s; 127,00 0+ cooks engag ed; 100 aggreg ators; N70→ N100 increa se appro ved but not yet imple mente d (May 2022)	Rising food costs making N70 inadequ ate; 'Egg Wednes day' initiati ve; multi- stakehol der involvement (WFP, NBS, NOA, GAIN, Ministri es)	N100 still barely adequate given inflation; payment delays to vendors reported; N70→N10 0 transition lagging	
8	ICPC (Inde pend ent Corru pt Practi ces Com missi on)	3 Nov 2019	Fraud Investi gation Report	FG's School - Feedin g Progra mme: ICPC arrests Two over allege d N68m Fraud	https://icpc.gov.ng/fgs-school-feeding-programme-icpc-arrests-two-over-alleged-n68m-fraud/	Corrup tion; fund diversi on; vendor payme nts	NSIO- ICPC collab oratio n to root out corrup tion in SIPs	N/A	N68,0 97,053 fraud in Kogi State; N40,3 88,558 transf erred from 627 cooks' accou nts (Jan 2019); N27,7 08,495 from 850 cooks' accou nts (Apr 2019); funds moved to 10 compa ny accou nts witho ut appro val	Focal Person & Program me Manage r colluded with banks; cooks' account s placed on lien without consent ; food supplies paid for but never delivere d	Systemic control failure: state-level approval process bypassed; lack of oversight on vendor payments; multiple bank complexity	
9	Azeez at Adedi gba / Prem ium Time s	6 Oct 2020	Investi gative Journa lism	N2.67 B School Feedin g Fraud: Minist er orders investi gation	https://www.premiumtimesng.com/news/top-news/418849-n2-67b-school-feeding-fraud-minister-orders-investigation.html	COVID -19 feedin g fraud; fund diversi on	N/A	N/A	N2.67 billion paid during COVID -19 lockdow 'when childre n were not in school '; money ended up in perso nal accou nts (2020)	Principa ls claimed paymen ts covered pre- COVID debts to vendors ; Minister of Humani tarian Affairs denied NHGSFP connecti on (claim ed funds were for Unity Colleges boardin	GIFMIS payment platform difficulties for vendors without TIN/PENC OM; systemic payment architectur e problems; lack of clear accountabi lity between ministry and agencies	

										gl); ICPC chair confirmed investigation	
10	Dirisu Yaku bu / Punch News papers	12 Jul 2024	Legislative Oversight	Revisit school feeding programme, Reps tell FG	https://punchng.com/revisit-school-feeding-programme-reps-tell-fg-2/	Programme suspension; legislative response; policy inertia	"The philosophy behind the NHGSFP was to encourage enrollment into the public primary schools, address childhood hunger pangs, and improve their ability to concentrate, learn, and increase school attendance." — Hon. Muktar Zakari	N/A	Suspended 12 Jan 2024 by President Tinubu for 6 weeks (suspension extended); initially launched 2004 in 12 states; relaunched 2016 nationally	"Suspension causing reduced school enrollment, compromised health/cognitive development, disruption of smallholder farmer income, upsurge in out-of-school children, crime & unemployment"	Complete suspension caused more harm than challenges addressed; called for alternative solutions or efficient implementation; House Committees mandated to revisit programme
11	Olasunkanmi Habe eb Okunola / BusinessDay	11 Aug 2021	Policy Commentary / Analysis	One programme many problems: Exploring Nigeria's home-grown school feeding programme	https://businessday.ng/opinion/article/one-programme-many-problems-exploring-nigerias-home-grown-school-feeding-program/	Out-of-school children; programme design; economic impact	"Social protection federal government-led N70 (0.17 USD) per day school feeding programme that aims to increase enrolment rates, improve the nutritional and health status of primary school children, boost the income of farmers and provide employment opportunities for	N70/c hild/day (~\$0.17)	10.5M Nigerian children out of school (1 in 5 globally); 9M+ pupils in 54,619 schools benefiting; 80,000 farmers participating; 102,097 cooks engaged across 26 states (2021)	Multi-sectoral programme (Education, Health, Agriculture, Justice, Budget, Trade); federal funds primary 1-3, states expected to fund primary 4-6; economic impact on local agri-production	Significant economic impacts achieved but funding constraints, poor meal quality, irregular payments remain; recommendation to increase meal cost and integrate WASH

							women."				
1 2	Chike Olisah / Nairametrics	24 May 2022	Financial Analysis	School Feeding Programme: FG now to spend about N999 million daily on 10 million pupils	https://nairametrics.com/2022/05/24/school-feeding-programme-fg-now-to-spend-about-n999-million-daily-on-10-million-pupils/	Feeding cost review ; disbursement modalities	N/A	N100/ child/day → N999,086,200 daily total, ~N20bn/month	9,990,862 pupils × N100 × 20 days = N999M daily, ~N20bn/month (2022) ; N70→ N100 increase approved by President	Stakeholders included WFP, NBS, NOA, GAIN, Ministries of Agriculture & Education; 'Egg Wednesday' plan; micronutrient fortification included	Transition from N70 to N100 not yet implemented at time of report; concern over whether N100 sufficient given inflation
1 3	Guardian Nigeria / News Desk	14 Aug 2017	Government Press Release Reporting	School feeding programme takes N6.2b in 14 states	https://guardian.ng/news/school-feeding-programme-takes-n6-2b-in-14-states/	Funding disbursement ; state-level implementation	N/A	N/A	N6,204,912,889 disbursed to 14 states (Aug 2017); 2,827,501 children fed; 33,895 cooks engaged; States: Anambra, Enugu, Oyo, Osun, Ogun, Ebonyi, Zamfara, Delta, Abia, Benue, Plateau, Bauchi, Taraba, Kaduna	State breakdown of funds and beneficiaries number s provide d; cooks engaged at community level	Early implementation phase — limited to 14 states; target of 3M pupils for 2017
1 4	Nairametrics Research Desk	5 Jan 2025	Budget Analysis	Nigeria allocates N100 billion for National Home Grown School Feeding Program in 2025 Budget	https://nairametrics.com/2025/01/05/nigeria-allocates-n100-billion-for-national-home-grown-school-feeding-program-in-2025-budget/	Budget allocation; funding trends	N/A	N100 billion allocated in 2025 budget	N100bn allocated in 2025 budget; targeting 20% enrolment increase and 15% academic performance improvement by 2025; 10% farmer income increase target	Despite controversies and suspension, government continues prioritising NHGSFP in budget; focus on overcoming logistical and corruption challenges	Effectiveness depends on overcoming efficiency, corruption, and accountability challenges
1 5	Bakare Majeed / Premium Times	11 Jul 2024	Legislative / Investigative	Reps probe suspended school feeding programme	https://www.premiumtimesng.com/news/top-news/712104-reps-probe-suspended-school-feeding-programme.html	Legislative investigation; programme suspension	"The programme was introduced in 2016 as part of the	Target: 24M school children fed 'Africa's largest SFP'; 1.14M	N500bn SIP funding (2016) ; projected 24M children	Suspension 'unsettling' — reduced enrolment & attendance; outright compro	House mandated Committees on Special Duties & Finance to investigate ; outright suspension

				mme		impact	Buhari administration's N500 billion-funded Social Investment Programme. It was projected to provide 1.14 million jobs nationwide."	jobs projected	n; 1.14M jobs projected; originally in 22 states (2016)	missed child health; disrupted farmer incomes; rising out-of-school children; crime & unemployment	counterproductive — alternatives needed
16	Budget Foundation	May 2026	Civic Accountability / Report	Q1 Program Report (2026)	https://budgit.org/post_publications/q1-program-report/	Fiscal transparency; citizen engagement; government oversight	Budget works to advance fiscal transparency; citizen engagement and inclusive governance	N/A	Activities across Research, NRCG, Tracking, Health Systems, OGIP, AI & Data Unit (Q1 2026)	Deepening community accountability; strengthening health systems; data-driven programme delivery	General governance gaps in budget tracking and social programme oversight; Q1 2026 report covers strategic activities rather than NHGSFP-specific findings
17	Global Alliance Against Hunger and Poverty	15 Nov 2024	International Commitment	Governments and partners pledge to double school meals for children — 2030 School Meals Sprint	https://globalallianceagainsthungerandpoverty.org/new/2030-school-meals-sprint-press-release/	International commitments; Nigeria's Renewed Hope relaunch	Nigeria commits: "Will relaunch its Renewed Hope National Home Grown School Feeding Programme by November 2024, feeding 20 million children annually; launch school farms contributing 10% of food items; engage 250,000 smallholder farmers."	Target: 20M children annually; 10% food from school farms; 250,000 farmers engaged; 30% out-of-school reduction by 2026; 30% private sector funding by Dec 2026	Nigeria: 20M children target; 250,000 farmers; 30% out-of-school reduction by 2026; private sector to cover 30% costs by Dec 2026	Multi-country pledges (Benin, Brazil, Honduras, Indonesia, Kenya, Paraguay, Philippines, Sierra Leone, Tajikistan); school meals as strategic investment	Nigeria's commitment ambitious but follows suspension period; financing & governance models critical
18	State House Abuja / Presidency	May 2018	Official Press Release	Home grown School Feeding now in 30 States as FG Targets Millions More	https://statehouse.gov.ng/homegrown-school-feeding-now-in-30-states-as-fg-targets-millions-more-for-social-investment-schemes/	Expansion; programme coverage	N/A	Target: 12M pupils	9.5M pupils in 30 states; 101,913 cooks employed; target of 12M pupils (2019)	Helped increase enrolment rates; tackling early-year malnutrition; empowering local cooks	30 of 36 states covered; gap of ~2.5M from 12M target
19	Channels	17 Jun	Legislative	Reps reject	https://www.vanguardngr.com/2020/06/rep-reject-%E2%82%A6187bn-expenditure-on-fg-	Expenditure	House Committee	N/A	Reported figures	Chairman Hon. Busayo	Massive administrative

	TV / Vanguard (Multiple)	2020	Scrutiny	N187bn expenditure on FG school feeding programme	school-feeding-programme/	audit; legislative oversight	on Public Accounts investigation COVID -19 PTF & NHGSFP		cite N63.2bn (2018) , N32.2bn (2019) , and N124.4bn (2020) , which sum to N219.8bn, not N186bn; only N64bn reportedly went to direct feeding	Oke described N186bn as outrageous; Committee demanded complete project audit	overhead relative to direct feeding expenditure; lack of transparent budget breakdown
20	Aderemi Adebola (NSIP A) / GazetteNG	14 Sep 2025	Policy Announcement	FG to feed 50 million pupils by 2026	https://gazettengr.com/fg-to-feed-50-million-pupils-by-2026/	Expansion target; programme restructuring	"We are working to include early years – primary 1 to 3, primary 4 to 6 – in the school feeding programme, and also out-of-school children."	Target: 50M pupils by 2026; meal cost N500–N1,000 /child	Target : 50M pupils by 2026; current: limited to primary 1-3; N500–N1,000 /child target cost	Price control via alignment of small-holder farmers, aggregators, supply chain; step-by-step integration of out-of-school children	Ambitious 50M target from previously ~10M; cost per meal still under discussion; gradual rollout planned
21	World Bank / NASSCO	Nov 2025	World Bank Report	The State of Social Safety Nets in Nigeria	https://punchng.com/only-44-of-social-benefits-reach-poor-nigerians-wbank/	Social protection effectiveness ; programme targeting	World Bank assessment of Nigeria's safety net programmes	56% of beneficiaries are poor, yet only 44% of total benefits reach the poor	Nigeria spends 0.14% of GDP on social protection (global avg: 1.5%, SSA avg: 1.1%); poverty reduction impact : just 0.4 percentage points	NHGSFP praised for individual-level targeting (vs household) but limited to grades 1-3 & incomplete national coverage; benefit dilution problem	Tiny allocation has 'almost no impact' on poverty; inefficiency from household-level benefit determination; NHGSFP targeting approach better but coverage too narrow
22	Multiple (ANEJ, ActionAid, NESG)	Jun 2019	CSO Validation Report	How NGOs, CSOs validated Government's Social Investment Programmes beneficiaries	https://thewillnews.com/how-ngos-csos-validated-governments-social-investment-programmes-beneficiaries-presidency/	Third-party monitoring; beneficiary verification	Third-party monitors (ANEJ, ActionAid, NESG) engaged to independently appraise SIPs	N/A	SIPs: N-Power, NHGSFP, CCT, GEEP covering 36 states +FCT; CCT reached 300,000 beneficiaries (2019)	NGOs confirmed SIPs effective and relevant despite challenges; NHGSFP improved school enrolment; CCT provided monthly N5,000 to poorest households	State government partnership remains a challenge; programmes aligned with international expectations but need scaling
2	Malq	2025	Academic	Evaluation	https://www.mental-wellness-	Comprehensive	NHGSFP	Linked	312	Local	Inadequate

Notes

- This table contains 34 curated, data-rich sources selected from the original 60-item resource inventory.
- Entries were selected based on substantive content: clear objectives, quantitative data, qualitative findings, or assessment/gap analysis.
- Low-value entries (gateway search pages, duplicate categories, unverifiable budget lines) were excluded.
- Sources span: Official (7), Legislative/Oversight (5), Academic/Evaluation (5), Media/Investigative (7), World Bank/UN (3), CSO/Civic (3), International Comparator (2), Legal (1), NGO (1).
- Date format: As published. Some sources cover multi-year periods noted in findings.
